**WSDOT Construction Activity & Possible Delays/August 15-August 25, 2002**

This update is also available by calling 1-800-695-7623, extension 511.

**HIGH IMPACT!! US 2/Deer Road to Westwood Road (MP 296.26-306.18)-** Work continues on this resurfacing project. Work is occurring 24-hours daily on both northbound and southbound lanes throughout the project vicinity. Motorists should be aware of lane restrictions, shoulder restrictions, traffic directed by flaggers, slow-traffic, delays, and construction personnel in and adjacent to the roadway at all hours. At least one access to all homes and businesses in the project area will be maintained. Motorists in the project vicinity may listen to 530 AM for additional information.

**HIGH IMPACT!! SR 20/Colville High School to Narcisse Road (MP 355.94-363.61)-** Guardrail installation continues; crews are continuing paving. Motorists can expect minor delays with possible slow, single-lane traffic controlled by flaggers and/or pilot cars from 6 am to 8 pm, Monday thru Saturday.

**SR 23/Front Street in St. John (MP 14)-** Work on this improvement project on Front Street continues. Motorists can expect some sections of unpaved roadway within the work zone. A 24-hour detour is in place for SR 23 traffic. This is a City of St. John project.

**HIGH IMPACT!! I-90/Harvard Road Interchange (MP 296)-** Work on the new westbound I-90 loop on-ramp and Harvard Road continues. Motorists can expect lane restrictions and delays on Harvard Road, and are advised to travel at slow speeds and watch for bumps on the roadway. Motorists can expect possible lane restrictions throughout the week on westbound and eastbound I-90 and should be alert for slow traffic and congestion. The I-90 westbound on-ramp may be periodically restricted during paving work. Motorists will be advised of alternative routes.

**I-90/Vicinity of Havana Street & Altamont Street (MP 283)-** On Monday, August 19<sup>th</sup> and Tuesday, August 20<sup>th</sup>, crews will performing repairs to westbound I-90 at these two locations. Motorists can expect right-hand lane restrictions in the work areas from 9 a.m. to 4 p.m. during the duration of the work. Drivers should be alert for slow moving traffic and congestion.

**HIGH IMPACT!! SR 127/Church Hill Road to Dusty (MP 18-27.05)-**Work continues on this paving project; crews are striping the roadway and performing other minor work. Work on this project will be temporary stop on Tuesday, August 20 to prevent interference with harvest activities in the area. Work will resume on Monday, September 2. While work is underway, motorists can expect lane restrictions, traffic directed by flaggers, slow traffic, and minor delays.

Weekly Update  
August 15, 2002

**US 195/Meadowlane Road (MP 92.28)**- Minor work items remain. No impacts to traffic.

**HIGH IMPACT!! SR 270/Pullman City Limits to Spring Street (MP 0.00-2.82)**- Work continues on this paving project through downtown Pullman on Grand Avenue, Paradise Street, and Main Street. On Grand Avenue, motorists can expect minor, periodic parking and lane restrictions as crews install sign bridge structures. Other minor lane restrictions are possible throughout the project area. All businesses are open.

**HIGH IMPACT!! SR 290-Trent Avenue/Spokane River Bridge (MP 0.4-0.6)**- Work is under way on this bridge replacement project between downtown and Hamilton Street. Trent Ave. is closed to through traffic between Riverpoint Blvd. and Cincinnati Street. Detours are fully signed. Access to all businesses on Trent is available. This is a long-term closure.

**SR 290-Trent Avenue/Fancher Road to Sullivan Road (MP 4.3-10.3)**- Crews are performing shoulder work and striping the roadway. Some striping work will be completed through the night. Motorists can expect some traffic directed by flaggers and minor, periodic lane restrictions throughout the entire project limits.

**SR 290/Sullivan Road to the Idaho State Line (MP 10.35-18.38)**- Work on this paving project continues. Roadway striping, signing, and other minor items remain. Motorists can expect minor, periodic lane restrictions the entire project limits, and some areas of traffic directed by flaggers.

**US 395/Arden to Colville (MP 219-229)**- Paving work is complete. Crews are continuing work on minor items. Motorists can expect minor delays and periodic lane restrictions. Motorists should be alert for flaggers and other construction personnel in the project vicinity.

**HIGH IMPACT!! US 395/Colville Main Street (MP 228-229)**- Extensive work continues in downtown Colville. Main Street continues to be reduced to one lane in each direction with possible slow traffic; a detour is in place at the north end of Colville for SR 395 traffic. Motorists can expect some sections of gravel roadway within the work zone. All businesses are open. This is a City of Colville project.

**U.S. 395-North Spokane Corridor/Hawthorne to U.S. 2**- Crews are continuing installation of fencing along the new section of freeway. No traffic delays are expected.

**HIGH IMPACT!! SR 904/Tyler to Cheney (MP 0.00-9.09)**- Crews are continuing work on this overlay project; crews are performing chip seal and fog seal work. Motorists can expect traffic directed by flaggers and/or pilot cars from 6 a.m. to 7 p.m., Monday thru Friday and may see delays of 15-20 minutes.
